

DISPOSE OF MEDICATIONS SAFELY!

Flushing prescription drugs can have harmful effects on the environment, public safety and people's overall health!

HOME DISPOSAL

Do NOT crush tablets or capsules

Mix medications with items around your home like kitty litter or coffee grounds

Put that mixture in a sealed container and throw it in the trash

Scratch out all information on prescription bottles before throwing out

Use a Deterra disposal bag to safely dispose of medications – receive a free supply at mopip.org/RX under "Med Safety"

DISPOSAL

Take Back Events:

Take unused prescriptions to your schools' next take back event!

Drop Box:

Between take backs, take your unused prescriptions to your local drop box!

Find yours at

time2actmissouri.com

under "Resources"
